

ONLINE SAFETY

PARENT SESSIONS

How can I support my child in the online world?

What is the right amount of screen time?

How can I filter my home broadband?

What Apps are suitable for my children?

Cost - £99 + travel for 60 minute session

About The Session

The session will focus on how parents can support their child with using technology and the internet. It includes videos and activities to help parents with some of the dilemmas with digital parenting. The talk will cover areas such as managing screen time, reducing the chances of your child accessing inappropriate content and dealing with concerns related to cyberbullying and online predators.

About Tim

Tim Pinto has worked in education for 25 years and in the arena of online safety for 10 years. He was e-safety manager at YorkshireHumber Grid For Learning and Rotherham Council. Tim was also a member of the Education Board at CEOP. He has also worked in secondary education as Head of PSHE and as an Associate Lecturer at Sheffield Hallam University. He has been director at the E-SafetyOffice since 2015.

How To Book

To book a session at your school, please email Tim at tpinto@esafetyoffice.co.uk or phone 01977 232167. You will receive a flyer which you can use to promote the event. You will also be able to download a range of leaflets to support parents from www.esafetyoffice.co.uk
